The image shows a screenshot of a web browser displaying the NCBI PubMed website. The browser's address bar shows the URL <https://www.ncbi.nlm.nih.gov/pubmed/>. The page header includes the NCBI logo, navigation links for "Resources" and "How To", and a "Sign in to NCBI" button. The main content area features the "PubMed.gov" logo, the text "US National Library of Medicine National Institutes of Health", and a search bar with a "Search" button. A dropdown menu is open from the "PubMed" link, listing various resources such as "GEO DataSets", "GEO Profiles", "GSS", "GTR", "HomoloGene", "MedGen", "MeSH", "NCBI Web Site", "NLM Catalog" (which is highlighted), "Nucleotide", "OMIM", "PMC", "PopSet", "Probe", "Protein", "Protein Clusters", "PubChem BioAssay", "PubChem Compound", "PubChem Substance", and "PubMed". Below the search bar, there is a large banner for "PubMed" stating that it comprises more than 26 million citations for biomedical literature from MEDLINE, science journals, and online books. The page also features sections for "Using PubMed" (with links to Quick Start Guide, Full Text Articles, FAQs, and Tutorials), "PubMed Tools" (with links to Med Mobile, Citation Matcher, and Queries), and "More Resources" (with links to MeSH Database, Journals in NCBI Databases, Clinical Trials, and E-Utilities (API)).

SCIENCE CITATION INDEX EXPANDED

Category Name:

Acoustics

Category Description:

Acoustics covers resources on the study of the generation, control, transmission, reception, and effects of sounds. Relevant subjects include linear and nonlinear acoustics; atmospheric sound; underwater sound; the effects of mechanical vibrations; architectural acoustics; audio engineering; audiology; and ultrasound applications.

Category Name:

Agricultural Economics & Policy

Category Description:

Agricultural Economics & Policy covers resources concerning the production, distribution, and consumption

آیا Impact factor دارد یا خیر؟

♦ توجه :

♦ ممکن است یک ژورنال **ISI** باشد، اما هنوز دارای **Impact factor** نباشد.

فقط ژورنال هایی که دارای **Impact factor** هستند در لیست **JCR** وجود دارند.

دلیل این امر این است که حداقل **اسال زمان لازم** است تا موسسه ی تامسون رویترز بر اساس مقالات منتشر شده در ژورنال، ایمپکت فکتور را محاسبه کند.

How to Find Impact Factors?

- ◆ Directly from **Journal Citation Report** Database through ISI.

<https://jcr.incites.thomsonreuters.com>

Login Required to Access Scopus

You are outside your institution's network. To access Scopus consider the following options:

- Athens and Shibboleth (Institutional) users please [login here](#).
- If you have previously registered with Scopus or ScienceDirect and your account is validated for remote access, you can login with your username and password.
- If your account is not validated for remote access, you may need to contact your institution's Scopus administrator (e.g. librarian) to have remote access enabled for your account.
- Alternatively, you may be able to gain access through your library's website or institution's VPN. For more details on available options, you may need to contact your institution's Scopus administrator (e.g. librarian).
- Although institutional access is required to fully benefit from Scopus, just go to [Author Preview](#) and test us by finding millions of available author details.

New to Scopus? [Learn more](#) about the world's largest abstract and citation database.
If you need further assistance, please [contact our support team](#).

https://journalmetrics.scopus.com/

The screenshot shows the Scopus Journal Metrics website. At the top, there are browser tabs for 'Journal Metrics - Scopus', 'Scopus preview - Scopus', and 'Global Journal Of Health'. The address bar shows the URL 'https://journalmetrics.scopus.com'. Below the browser, the page header includes 'Powered by Scopus' and a 'Help' dropdown. A dark blue banner contains the text 'Journal Metrics' and a 'Get involved >' link. The main content area features a section titled 'Introducing CiteScore metrics for serials'. This section includes a paragraph: 'We are proud to introduce CiteScore metrics from Scopus – comprehensive, current and free metrics for serial titles in Scopus. Search or filter below to find the sources of interest and see the new metrics. Report using these annual metrics and track the 2016 metrics via the links to each title's Scopus source details page.' Below this is another paragraph: 'Be sure to use qualitative as well as the below quantitative inputs when presenting your research impact, and always use more than one metric for the quantitative part.' To the right of the text is a diagram showing a timeline from 2011 to 2016. A bracket above the years 2012, 2013, and 2014 is labeled 'Documents from 3 years'. An arrow points from the year 2015 to the label 'Citations in 2015'. Below the diagram, there are links for 'CiteScore 2015 methodology' and 'Download all metrics'. A search bar is present with the text 'Refine titles' and a search icon. Below the search bar, there are filters for 'Refine by subject areas...', 'Search titles...', and '2015'. A 'Show more filters' button is also visible. The page indicates 'Showing 22,256 titles' and has a 'Clear Filters' button. At the bottom, there is a table header with columns: 'Title', 'CiteScore', 'Highest CiteScore Percentile', 'CiteScore Rank', 'Citations 2015', 'Documents 2012-14', '% Cited', 'SNIP', and 'SJR'. The footer shows the system tray with the date and time '12:42 AM 01/01/2017'.

About

The Journal of Medical Internet Research (JMIR, www.jmir.org) is the flagship journal of JMIR Publications and consistently ranked as the leading (#1) journal in its discipline, with a 2013 impact factor of 4.7, out of 25 leading medical informatics journals.

JMIR Publications, the leading publisher for digital health, continues to grow, now has offices in Toronto and Hongkong, and publishes a dozen journals at the intersection between health and technology/innovation, including JMIR Research Protocols, JMIR Serious Games, JMIR Medical Informatics, interactive Journal of Medical Research, JMIR mHealth and uHealth, JMIR Mental Health, JMIR Human Factors, JMIR Rehabilitation and Cyborg Technologies, Medicine 2.0, and others. JMIR Publications also produces the leading academic conference s

<http://www.sjfinder.com/journals/home>

The screenshot displays the SJFinder website interface. The browser address bar shows the URL <http://www.sjfinder.com/journals/home>. The page features a navigation menu with "Reader", "Journals", and "Labs" options, along with "Sign up" and "Log in" buttons. The main heading reads "Find Journals" with the subtitle "Discover journals within your field of study". Below this, there is a search form with three input fields: "Research Fields" (containing "Health Professions"), "Subfields" (containing "Health Information Management"), and "Keyword" (empty). A "Search" button is positioned below the "Keyword" field.
